## Policies & Procedures

- All co-pays and balances are due at the time of service and must be paid in full before your child will be seen by his/her therapist.
- Authorization is **not a guarantee of payment**. If your insurance company denies payment you will be responsible for the entire balance.
- Outstanding balances will be sent to collections and therapy will be discontinued.
- 24 hour **CANCELLATION NOTICE** is appreciated; otherwise, there will be a \$30 charge.
- **2 NO CALL/NO SHOWS** will forfeit your standing appointment time.
- **CANCELLATIONS** must be made up within the following week; otherwise, this will result in a forfeiture of your standing appointment time.
- Returned checks will result in a \$30 fee due at the time of notification.
- We are a **teaching facility**; therefore, there may be times when a student observes or runs the therapy session under the supervision of the treating therapist. You will be notified before the session begins if a student will be involved in the therapy session.
- Due to insurance liabilities we ask that you be seated in the waiting area until a therapist can lead your child to a treatment room for therapy.
- If you choose to bring siblings with you, please bring activities to keep them occupied as excessive volume may interrupt treatment sessions. Siblings are not allowed on therapy equipment at any time
- Please note that your therapist may advise you to step out of the therapy session or remain in the waiting room during the therapy session to ensure your child's optimal performance and to establish a trusting relationship and good rapport with your child.
- We do our very best to begin and end treatment sessions on time. Please be prompt for appointments as they end 30 minutes from the start of your scheduled appointment time. If you choose to drop off your child for therapy, please leave an emergency contact number at the front desk and return to the waiting room before your child's session is over.
- If your child is potty training or was recently potty trained, please bring extra diapers and a change of clothes.
- We reserve the right to discontinue therapy services if we feel our staff, other patients, and/or your child are at risk for injury or physical harm due to **aggressive behaviors** before, during, and/or after therapy sessions. When appropriate, we will offer a one-time warning before discontinuing services. Aggressive behaviors include, but are not limited to, hitting, kicking, biting, punching, shoving, hair pulling, inappropriate language, and destruction of property.
- Unless we are provided with legal documents stating otherwise, we are required by law to provide both parents with information regarding the child's therapy services, progress, etc.

By signing this document, I acknowledge that I have read and agree to everything listed in the above policy and procedures.

## Release and Assumption of Risk

- o In Consideration of the services of Sensory Solutions, LLC, their agents, owners, officers, affiliates, volunteers, interns, participants, therapists, therapeutic assistants, employees and all other persons or entities acting in any capacity on their behalf, (hereinafter collectively referred to as “SSL”), I hereby agree to release, indemnify, and discharge SSL on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:
- o I acknowledge that my participation in Sensory Solutions, LLC, programs, therapies, camps, retraining techniques, rehabilitation programs, games or activities entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to the patient, to property, or potentially to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the therapy and/or activity.
- If you or your child is injured, you or your child may require medical assistance, at your own expense.
  - o Furthermore, SSL therapists and employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be completely unaware of a participant’s health or abilities. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

The undersigned expressly agrees and promises to accept and assume all of the risks existing in these therapies and activities. My or my child’s participation in the program is purely voluntary, and I elect to participate or allow my child to participate in spite of the risks.

I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless SSL from any and all claims, demands, or causes of action, which are in any way connected with my participation in SSL activities or my use of SSL equipment or facilities, including any such claims which allege negligent acts or omissions of SSL.

Should SSL or anyone acting on their behalf, be required to incur attorney’s fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

I certify that I have adequate insurance to cover any injury or damage my child may cause or suffer while participating, or else I agree to bear the costs of such injury or physical conditions I may have.

Any disagreements under this agreement shall be resolved in the County of St. Louis, State of Missouri. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my or my child’s participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against SSL on the basis of my claim from which I have released them herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
